NEW PATENT

Enjoy precision and comfort with the new SLS, featuring an advanced tool holder and optimized scoring wheel geometry for easy height adjustment.

Quick height adjustment

The new Secure Lock System (SLS)

- 1 An ingenious design that allows you to adjust each cut to the millimetre in a simpler, faster and more intuitive way.
- 2 Mounting your scoring wheel has never been so easy.
- 3 The new system facilitates the coupling between the scoring wheel and the tool holder thanks to its toothed structure with a rack and pinion effect, making your work more agile.
- 4 In short, simpler assembly, with RUBI's own patent, the result of our commitment to your work, your efficiency and your comfort.
