

Priamy redirect platobnej metody

1. Je potrebné získať checkout_url, napr. z postupu uvedeného na odkaze v bode 4. - <https://developers.payout.tech/#/use-cases/simple-payment>
2. Do checkout_url pridať url parameter payment_method, podporované metódy sú : **evub** , **tatra_pay** , **sporo_pay** , **post_pay** , **card_pay** , **csob** , **przelewy24** , **stripe** , **unicredit**
3. Po redirecte na checkout_url s pridaným parametrom payment_method prebehne redirect priamo na zvolenú platobnú metódu bez zobrazenia checkout formulára
